LA CASA SAGRADA

45ml Campfire Old Tom Gin
22.5ml Tio Pepe Palomino Fino Sherry
22.5ml Opies Ginger Syrup
Ice

Add all the ingredients, plus 4-5 cubes of ice, to a cocktail mixing glass or cocktail shaker can. Stir well for 30 seconds to dilute and chill the ingredients. You'll notice some condensation forming on the outside of the mixing glass/shaker can. This gives you an idea of when the cocktail is fully chilled.

Use a fine strainer and pour into a pre-chilled cocktail coupe glass. We're not huge fans of garnishes but we are rather partial to serving this with a small piece of ginger bread.
