ROCKET TOURMALINE

65ml Campfire Old Tom Gin
10ml Peach liqueur
5ml Lime juice
4 Blueberries
7 Rocket leaves

In a small glass muddle the blueberries into 15ml Campfire Old Tom Gin and set to one side.

In a cocktail shaker add the remaining Campfire Old Tom Gin, the peach liqueur, lime juice and rocket leaves. Muddle gently then add ice and shake for 30 seconds. Fine strain into a pre-chilled coupe glass.

Next fine strain the muddled blueberry and Campfire Old Tom Gin mixture on top. Pouring this in over the back of a spoon will allow you to float the liquid creating two layers of colour.
